MAY 7 11:15 TO 12:30

CREATION CARE FAIR

Take care of our planet!

Free food! Informational booths with ideas for gardening, composting, and reducing your carbon footprint.

Bring a small container of your garden soil to be blessed!

Sunday, May 7, 2023

Garden Soil Blessing:
In the courtyard from 11:15 to 11:30 am

Light lunch served
Veggie burgers on the grill
Live music

Exhibits and Lunch in Barcelona House
11:15 to 12:30 pm

Beekeeping: Talk with St. Ambrose' bee-keepers, Phoebe Lamb and Dan Weprin, about how we operate the St. Ambrose hives.

Perks Deconstruction: Talk with Anna about her business, which salvages and recycles building materials instead of sending them to the landfill.

Earthworm composting: Jane Latimer will bring an earthworm compost bin to display and talk about how it's done.

Garden Focus Group: Marcia Rehn will talk about our gardens and orchard at St. Ambrose.

Scouts Garden Bed: Learn about local Scout troop plans for a raised bed they built in the St. Ambrose garden to serve the local community.

Energy Audits and Benchmarking: Find out about the church's energy audit with Xcel and benchmarking with the EnergyStar website from Walter Latimer- options available to residential customers too!

Renewable Energy Possibilities at New Horizons House in India: Tim Hillmer presents on possible collaborative work with this charity that provides housing and education for girls rescued from trafficking.

Info Exchange Board on personal experience with alternative energy options – geothermal, solar electric panels, heat pumps, electric vehicles and more.

CoolBoulder: A local volunteer organization moving to cool Boulder through tree canopy, composting, pollinator assistance and more.

Interfaith Power & Light: Bringing info on transitions to just energy systems and helping groups reduce their faith community carbon footprints, including info on Inflation Reduction Act grants to help nonprofits convert

Episcopal Church Creation Care: Consider the Creation Care pledge and related Colorado Diocese programs.

Earn a chance to win an Earthworm Composting Kit by taking our exhibit info quiz!

Bring your phone to take pictures of displays for future reference- we won't be handing out paper!
St. Ambrose Episcopal Church, 7520 South Boulder Rd., Boulder CO (enter at Barcelona St)
